Sharon K. Dunsmore, School Site Director

Welcome to Our Family,

We know that your decision to become a member of our Child Care Family will be a blessing to both your family and ours. We are a licensed facility which requires us to be in compliance with all regulations and policies required by the State of Michigan.

Our Staff members have received comprehensive background checks. Our Staff has also been certified in First Aide, CPR, and Blood Borne Pathogens. As a staff, we work closely with each other and with you to provide the best care and atmosphere possible for your child.

Our daily program includes music, daily stroller walks, inside and out depending on the weather, smiling, singing, finger plays, story time and games like peek-a-boo, etc. Daily communication with the staff at both drop-off and pick-up enables us to keep up with all of the changes new infants' experience. Children in each of our older classroom have activities and programs designed especially for their age level.

Our phone lines are always open – 1-248-645-5273, and you are welcome, any time of the day, to pop-in for a visit. We are open, Monday through Friday, from 7:00 AM– 6:00 PM.

God Blessings,

The Child Care Staff
